☞ If you wish, you may type into this form and save a copy before printing it.

Membership Benefits

Membership in the Dante Society provides many benefits. All members receive a print copy of our annual journal, *Dante Studies*, as well as electronic access to the current issue and all issues published since 2015. In addition, members have access to a members-only discussion list and directory, and are eligible to vote in annual elections and serve on committees. Finally, but not less importantly, membership helps to sustain the ongoing mission of the Society and its expanding outreach efforts by providing critical financial support.
