

# VISITING JOHN J. BURNS LIBRARY

If you will be coming to Boston College by taxi (or a rideshare service like Uber, Lyft, or Fasten), input “John J. Burns Library” as your destination. If you are asked instead for cross-streets, use the intersection of Linden Lane and Commonwealth Avenue. Please consult the map below for directions to Burns Library once you have arrived on campus.

If you will be arriving by car and parking in the Commonwealth Avenue Garage, you can reach Burns Library by taking the elevator to the roof of the garage and walking toward St. Mary’s Hall and following the sidewalks around the back of the building.
